# No-bake Easter oat nests

## You will need

150g Hamlyns Scottish Porridge Oats
100g milk chocolate
50g butter
2 tbsp golden syrup
1 tsp vanilla extract (optional)
Mini chocolate eggs or jelly beans for decorating
Paper cupcake cases (9 large or 15 small)

## Method

1. Melt the chocolate, butter and syrup together in a heatproof bowl over a pan of simmering water until smooth, or over a low heat on the hob. Stir in the vanilla extract if using.
2. Remove from the heat and stir in the oats until everything's coated in the chocolatey mixture.
3. Spoon heaped tablespoons of the mixture into paper cupcake cases.
4. Allow to cool slightly then use the back of a spoon or your thumb to press a little dip in the centre of each one to form a nest shape.
5. Pop three mini eggs into each nest then cool in the fridge for about an hour until they've set.
